Select Dinner Mentorship in 2016

Ability and drive provide only part of what makes a junior lawyer a success. Often the most successful lawyers are defined by the ability to more effectively apply the information and knowledge that all lawyers share. This skill is often acquired when one receives the guidance of a more experienced lawyer – either inside or outside their firm. These young lawyers have been lucky enough to experience the power of mentoring: the process of passing on skills and wisdom to those who will define the profession as time progresses.

Our esteemed and accomplished presenters will discuss Mentorship in 2016 from their unique and distinct perspectives. First, Amanda Dodge, a Poverty Law lawyer at CLASSIC which offers programs through the College of Law in Saskatoon, will discuss approaches to and strategies for mentorship in 2016 and the very real benefits available for both mentees and mentors.

We will also be joined by Alan McIntyre, Q.C., a partner in the Regina office of McKercher LLP. Alan will offer the perspective of a large firm environment and discuss the initiatives developed to pair Associates with appropriate Senior Counsel in hopes of building solid mentoring relationships within the Firm. Alan will also discuss the seminal mentoring moment in a young lawyers career, Articling and the many benefits to acting as a Principal.

CPD Select Seminars are available to all practitioners with 25+ years of experience. These dinner meetings are designed to address CPD topics specifically from the more senior practitioner's point of view.
